

PARK ROW III ASSOCIATION
VOTING AND ELECTION RULES

1. General.

- 1.1 These Rules are intended to comply with Civil Code sections 5100 through 5130 and shall apply to Member voting: (1) to elect or remove Members of the Board of Directors; (2) regarding assessments; (3) regarding amendments to the governing documents; (4) regarding the granting of exclusive use of common area property; and (5) at the discretion of the Board of Directors, regarding any other matter that may be the subject of a vote of Association Members.
- 1.2 As used in these Rules, "general notice" means providing notice by one or more of the following methods: any method provided for delivery of an individual notice pursuant to Civil Code section 4040; inclusion in a billing statement, newsletter, or other document; posting the printed document in a prominent location that is accessible to all Members, if the location has been designated for the posting of general notices by the Association in the annual policy statement; if the Association broadcasts television programming for the purpose of distributing information on Association business to its Members, by inclusion in the programming.

2. Access to Association Media and Facilities.

- 2.1 No candidate or Association Member advocating a point of view for purposes related to an election covered by these Rules shall be allowed access to any form of Association media including, but not limited to, newsletters, common area bulletin board, internet website, social media pages or television programming after written ballots are distributed as specified in Section 7.1 until the conclusion of the election. "Association media" shall not include correspondence to the Members via first-class mail, personal delivery, or email. For purposes of this section, "advocacy" shall not include the following: (1) "get out the vote" efforts or publication of communications in any format which are solely for the purpose of encouraging Members to timely return ballots to the Inspector(s) of Elections for tabulation; (2) descriptions of the purpose and effect of a proposed rule change pursuant to Civil Code section 4360; or (3) a factual summary of significant changes to the governing documents accompanying the text of a proposed amendment pursuant to Civil Code section 5115(e).
- 2.2 "Equal access" shall mean, for written statements on any platform, publication of written statements not to exceed a predetermined number of words. The Board shall not edit or redact any statement, and shall not be required to publish any statement which exceeds the predetermined word limit.
- 2.3 The Association shall not be responsible or liable for the content of any statement published pursuant to the "equal access" rules. The author or proponent of any statement

or point of view shall be solely responsible and liable for the content of their statements. All statements published in Association media pursuant to the "equal access" rules must identify the author or proponent, which author or proponent must be an Association Member to be eligible to publish in Association media. Anonymous statements will not be accepted or published.

- 2.4 If the Association uses Association media to advocate for a particular position (excepting "get out the vote" activities as described above) regarding an election of Directors to the Board, then it shall make the same media in a comparable format (but not necessarily contemporaneously) available to all candidates to allow advocacy by the candidate(s) regarding the Association position. Additionally, the Board may, but is not required to, generally make Association media (i.e., posting on the Association's official bulletin board or other notices mailed or delivered by the Association to the owners of the Lots) available to candidates running for election to the Board for purposes that are reasonably related to the election in which that candidate is running. If the Board allows such general access to Association media, then all candidates shall be allowed equal access to the same media.
- 2.5 If the Association uses Association media to advocate for a particular position (excepting "get out the vote" activities as described above) regarding any other matter, then it shall make the same media in a comparable format (but not necessarily contemporaneously) available to Members advocating a point of view. Additionally, the Board may, but is not required to, generally make Association media (i.e., posting on the Association's official bulletin board or other notices mailed or delivered by the Association to the owners of the Lots) available to Members for purposes that are reasonably related to the election in which the Association advocated a position.
- 2.6 No Association funds shall be used for campaign purposes in connection with any election which is subject to these Rules, except for the "get out the vote" activities described in Section 2.1, above.
- 2.7 Sections 2.1 through 2.5, above, specify the manner in which the Association shall comply with the legal requirement in Civil Code section 5105(a)(1) that "if any candidate or member advocating a point of view is provided access to association media, newsletters, or internet websites during a campaign, for purposes that are reasonably related to that election, equal access shall be provided to all candidates and members advocating a point of view, including those not endorsed by the board, for purposes that are reasonably related to the election."

 - 4.1.3 Nominations for candidates wishing to be included on the mailed ballots shall close on the date established by the Association. 6. Voting Rights.

- 6.1 Each Association Member shall be entitled to a single vote with regard to each matter that is the subject of a pending election. For purposes of these Rules, therefore, all record owners of a single Lot shall collectively constitute one "Association Member." Write-in candidates are not permitted in an election of Directors.
- 6.2 With regard to an election of Directors, because the Association's Bylaws permit cumulative voting, each Member shall be entitled to cast a number of votes equal to the number of Directors to be elected multiplied by the number of Lots owned by that Member, and each Member may cumulate its votes. In the event the Association's Bylaws are amended to prohibit cumulative voting, cumulative voting shall not be permitted.
- 6.3 A Member shall not be denied a ballot for any reason other than not being a Member at the time when ballots are distributed.
- 6.4 A ballot may not be denied to a person with general power of attorney for a Member and a ballot of a person with general power of attorney for a Member must be counted if returned in a timely manner (i.e., by the ballot return deadline).

The larger (outer) envelope shall be pre-addressed to the Inspector(s) of Elections, Park Row III Association. The upper left corner of the larger envelope shall contain the Member's name, address, and Lot number that entitles the Member to vote (or provide spaces to fill in such information) and provide a place for the Member's signature;
 - 7.1.3 Instructions on how to use the two-envelope system; and

- 7.1.4 Notice of the date, time and location of the meeting of the Board or Members at which the ballots will be opened and tabulated.

The Inspector(s) of Elections may contact Members who return unsigned envelopes and make arrangements for Members to sign the envelopes prior to the date that the ballots are opened and tabulated.
 - 7.3.3 Once a ballot has been received by the Inspector(s) of Elections, it may not be revoked. A ballot shall be considered received when the voting packet envelope (the outer envelope containing the inner envelope containing the ballot) has been received by the Inspector(s) of Elections.
 - 7.3.4 Each ballot received by the Inspector(s) of Elections shall be treated as a Member present at a meeting for purposes of establishing a quorum if a quorum is required by the governing documents or California law to conclude the election.
 - 7.3.5 The sealed ballots, signed outer voter envelopes, voter list, proxies, and (if applicable) candidate registration list (collectively, the "Association election materials") shall at all times be in the custody of the Inspector(s) of Elections or at a location designated by the Inspector(s) until after the tabulation of the vote at a properly noticed, open meeting of the Members or the Board of Directors, and until the time allowed by Civil Code section 5145 for challenging the election has expired (i.e., one (1) year after the election), at which time custody shall be transferred to the Association.
- 7.4 Proxies.

- 7.4.1 The Association shall have the option, but shall not be obligated, to distribute proxies for any election covered by these Rules. If the Association distributes a proxy form, any instruction given in that proxy directing the manner in which the proxy holder is to vote shall be set forth on a separate page of the proxy that can be detached and given to the proxy holder to retain. - 7.5 Election by acclamation. Unless prohibited by the Bylaws, if, as of the published deadline for nominations, the number of qualified candidates nominated does not exceed the number of Directors to be elected, then the individuals nominated and qualified to be elected may be declared elected on a date determined by the Board and/or the Inspector(s) of Elections, in which case written notice of the election results shall be given to the Members.

8. Tabulation of Ballots.

- 8.1 The voting packet envelopes shall be opened by the Inspector(s) of Elections after the close of the of the polls which shall be determined by the Inspector(s). Under these circumstances, the procedures set forth above regarding the nomination of candidates shall not apply.
- 8.6 The results of the election shall be promptly reported to the Board of Directors and shall be recorded in the minutes of the next meeting of the Board of Directors.

9. Additional Procedures.
